

## Authorized MARINEDECK® Specialist (AMS)

### How to become a MARINEDECK® exterior AMS?

Either Contact us in the Netherlands or contact one of our branch offices in the USA or Australia. We organise training sessions on a frequent basis.

Shipwrights applying to become a MARINEDECK® exterior AMS are supposed to meet with our high quality standards. We certify and authorize experienced shipwrights after they have completed our training in the fabrication and installation of MARINEDECK® exterior planks and (NC) PreFabricated MARINEDECK® exterior decks/panels. During the training all processes and regulations will be observed.

MARINEDECK® exterior AMS-ses are qualified to do any kind of MARINEDECK® exterior installations on any kind of (marine) floor, either to private (yacht)owners or boat builders and/or to install or to support boat with the installation of MARINEDECK® exterior PreFabricated decks.
